Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children.
- Take care when handling the attachments as they are sharp.
- Misuse of this appliance may result in personal injury.
- This appliance should not be used by children. Keep the appliance and its cord out of reach of children.

USING YOUR STICK MIXER

1. Simply plug the blender into power outlet. 220-240V/50Hz
2. Lower the mixer into food and depress the speed switch at the top of the motor unit as indicated, (see picture)
3. The mixer will only turn on if the low speed switch or high speed switch are depressed.

HOW TO CLEAN

1. On completion of using your appliance it is strongly recommended that you clean the blades immediately. This will remove any clinging food from the blades.
 2. Unplug the appliance.
 3. Clean the body of the appliance using only a soft, damp cloth.
 4. To clean the blades turn the lower part of the stick in a clockwise direction to release then you can immerse the blades in water to clean.
- CAUTION: THE ATTACHMENT IS VERY SHARP!**
5. Make sure the base is completely dry before re-attaching to the upper body.

PLUG:

1. This appliance has been fitted with a BS UK compliant plug which should not be replaced or removed
2. The plug is fitted with a UK compliant fuse link which is suitable for this type of appliance and should only be replaced by a fuse link of the same rating
3. If access to the fuse link is only possible by removing the plug cover this must only be done by a suitably qualified person.
4. If the plug or the mains cable of this appliance is damaged do not use and dispose of the appliance responsibly.
5. This appliance is a Class 2 appliance protected by double and reinforced insulation and does not require earthing. Class2 appliances are indicated by this  symbol marked on the appliance rating plate
